

Becoming a Love and Logic Parent

7 Module Series April - July

Effective Parenting one piece at a time

Parents and Guardians:

Learn techniques and be consistent in what you say, and in the rules that you set. Learn how to keep your mind focused, and be a consistent and loving parent/guardian earning respect from children of all ages!

Objectives we offer within the parenting workshop:

- Locking-in sadness or empathy before delivering consequences.
- Setting limits with enforceable statements.
- Sharing control through lots of small choices.
- Building relationships with the One Sentence Intervention.
- Neutralizing arguing with the Brain Dead technique.
- The Anticipatory Consequence.
- Love and Logic is easy to use, raises responsible kids, and changes lives.
